AUDIT PRESENTATION BY MR. GEARY, TGM GROUP

Discussion/Review of the DRAFT (subject to change) Component Unit Financial Statements from TGM Group. Government Standard 75 OPEB Liability – Delay in audit completion/presentation due to the actuaries having to re-do their part of the audit due to the change. Liability was decreased due to the changes.

2 Types of Financial Statements:

Motion to accept the audit draft was delayed for board review.

SERVICES

Eastern Shore Library Consortium:

- **Borrowing Rules**: Following the September Consortium meeting, Queen Anne’s County Library has ceased restricting the usage of their new DVDs. Talbot County will still not lend out DVDs to other counties.
- **Catalog**: ESRL continues to eliminate duplicate records in the catalog and is taking steps, both procedurally and technologically, to avert future issues.
- **Holds**: ESRL has stepped up enforcement of policies regarding materials acquisition that were impeding patrons from across the Shore from accessing certain collections. If four copies are requested of any item, one copy must then be kept at the home library.
- **Working group**: A working group has been established to discuss and ideally eliminate differences in loan periods and fine amounts.
Shakespeare on the Chesapeake: About 70 people attended Dr. Rehak’s presentation of Family Frames on September 16, with Dr. Rehak joining us before and afterwards via Skype, and the film was well received. The current version is a 25-minute cut available at http://somelibrary.org/familyframes.php. We are awaiting audiovisual editing to deal with some dropped volume during the film. Mr. Goyda will upload the new version after it is reviewed.

Smith Island Trip: Our planned September trip to Ewell was finally completed on October 1. Items missing spines labels (large parts of the children’s collections) were labeled properly, shelves were reorganized, and cataloging records were cleaned up.

Student Cards: The School District has sent out permission slips for the Student Cards. We are awaiting the first data transfer.

What I’m reading: Print & Ship has manufactured dry-erase "What I’m Reading" badges for staff, to be distributed at the October staff meeting. These items were viewed during the board meeting.

TECHNOLOGY

Crisfield Internet: We have had two failures in the backup power supply on the Crisfield server rack in the month of September. ESRL will be replacing the unit.

WiFi Hotspots: ESRL will also be replacing all WiFi hotspots in Crisfield and Princess Anne as part of periodic maintenance and upgrades.

FACILITIES MANAGEMENT

Crisfield
- Baffling: The baffling has been installed in the meeting room and children’s area.
- Flag & Sign: Selby Signs has installed the flag & sign on the front corner. Mr. Goyda will check to see if the sign light has been installed.
- Leak: The leak was the result of a screw being driven through the ceiling into the concrete and creating a pinhole on one of the lines draining condensation from the HVAC system. The pipe has been replaced, and we have not had a recurrence. The cement has not been patched yet; it is approximately 10’ x 1’ x 3’.

Princess Anne
- Teen Area / Reading Room: As above, we are filing for Innovation Grant funding to make revisions to the Teen Area and Reading Room.

BRANCH HIGHLIGHTS

Crisfield

Ms. Bradshaw reported that the teen program attendance has been increasing over the past few months. The branch generally provides five to ten programs a month for the teens and have been marketing through social media and school announcements. There were 31 attendees in July, 52 in August and 31 in September. Ashley Gilson plans most of the teen events, and Caprice Harris and Shanlaia Jackson have also assisted.

Outreach: In the beginning of September, we visited the local schools and a set up tables at their open houses. We provided our new calendar of events, program flyers, homework help, and database support. Woodson Elementary had morning and evening sessions and Ashley and Becky each took a shift. The school reported 377 children in attendance. Shanlaia and I went to Crisfield High School with approximately 120 students in attendance. Shanlaia has been visiting Crisfield High and recording announcements which include library events, she also joins them at their lunch hour and has calendar of events and program flyers ready to pass out.

Future Happenings: We are looking forward to our annual Harvest Party at the end of the month which will immediately follow the City of Crisfield’s Halloween parade and gathering that they have in the marina. I have spoken with Jayna Grant as she is in charge of the city’s event, and she will be promoting our event in hopes that we will gain the families from her event. We are anticipating that day will be a good community gathering for our town.

Princess Anne

Ms. Hodgson reported that the Summer Reading Program wrapped up in August with a total of 50 Adults, 39 Teens and 157 Children registered! Touch-a-Truck was a great success with about 100 people in attendance that learned about the 8 machines from local businesses & organizations. Every child that attended the program also received a free book! Our arm knitting program in August was very popular, with 15 participants who learned how to make an infinity scarf. The 6-week Beginners Sign Language Series had 9 people that completed the course. Craft programs were very popular in September with 15 attending both Cake Decorating and Wine Glass Painting and 12 people at Quilter’s and Stitcher’s. In September, 19 people joined us at our Book Discussion of the Maryland One book and 7 stayed after to watch the film.

Outreach: Becky attended an Early Childhood Expo at Salisbury University on September 15. Gabe is continuing his monthly craft program at the Crisfield Nursing home. We have also hosted Active Shooter Training and Autism 101 training that was open to all staff. On September 19 Kayla & Gabe attended Legal Reference Training. Becky has also attended monthly Judy Center Meetings and is close to completion on her Early Literacy Kits.

Future Happenings: We are gearing up for our 5th Annual Halloween Block party and anticipate about 1,000 attendees. This event will directly follow the Crisfield Harvest Party. Legacy Bistro will be donating and cooking 1,000 hot dogs and buns and Pepsi donated cases of water for the event. Legacy Bistro will also be allowed to sell other items. We will also be hosting a “Circle of Parenting” weekly series thru November for the Judy Center.
