Are You a Library Supporter? The Library Board is looking for residents of Somerset County to fill a vacancy on the Library Board. Please consider submitting an application!

- ❖ Applicants must reside in Somerset County. We are looking for an enthusiastic, thoughtful, and committed Somerset County resident to join a board of like-minded people working to make our county an even more desirable place to live, work, and play by means of the services, facilities, and collection of its public library system.
- ❖ Once an application is submitted, applicants may be contacted for an interview with the Board's Nomination Committee. The entire Board then votes on the names of nominees to be sent to the Somerset County Commissioners for their approval.
- ❖ The term of office is five years. Board members are eligible to serve a second term of five years. The current opportunity is to fill a term expiring March 22, 2026. Applications are due by February 2, 2026.
- ❖ The responsibilities of the Library Board are detailed in *The Annotated Code of Maryland, Title 23*, which establishes that "*public library resources and services are essential components of the education system.*" Some of the duties and responsibilities include: acting as a liaison between the public and the library, being knowledgeable about operations of the library, being involved in continuous efforts to improve library services, adopting reasonable rules and regulations, approving the library budget, and being willing to assist the library in fundraising activities.
- ❖ Applicants must be able and committed to communicate through email on a regular basis.
- ❖ The full board meets on the second Wednesday at 4:00 PM during the even-numbered months: February, April, June, August, October, and December. The location varies between Crisfield and Princess Anne, with virtual participation available via Google Meet.

The Somerset County Library has three branches, located in Crisfield, Ewell, and Princess Anne. We offer library service six days a week to the county's 25,000 residents. An up-to-date selection of print and audiovisual resources is complemented by access to a wide selection of electronic databases, eBooks, and downloadable audiobooks. Children's story times, summer reading, computer classes for all ages, and a variety of life-long learning programs are offered by library staff.
